Mark is a huge music fan who enjoys helping his clients pursue their financial goals and ultimately retire comfortably. It's important that his clients understand how their investments and insurance products work and fit each of their individual needs. Another main objective is to make certain each client's accounts fall within their own risk tolerance.

Beginning his career in 1990, Mark spent 20 years as the original investment advisor with Pinnacle Bank in Papillion, Nebraska. He has served on many Omaha metropolitan area non-profit organizations and is a Chamber Ambassador and former Chamber board member. He has also served on the Plattsmouth Community Foundation board and was a member of the Retirement Plan commission of the Papillion Police Department.

Mark is a Certified Financial Planner and graduated from California State University at Northridge with a degree in Finance and a minor in Real Estate. He is proud to be an Omaha native and was in the first graduating class of Millard South High School (many years ago.) Mark has been married to his wife Diane since 1985 and they have two daughters: Kara, graduating in 2019 with her nursing degree and Alaina, born in 2000 attending the University of Nebraska Omaha. Mark enjoys traveling with his family, playing golf and hockey and has been known to play guitar and sing in a local band.
